

Festive fundraising!

'Tis the season to do something amazing.

Support the Auckland Health Foundation and spread some festive cheer.

Celebrate at your staff Christmas party and ask everyone to make a gold coin donation. Contact us for some balloons and collection boxes!

Forego that third pair of socks and ask for a donation to be made to the Auckland Health Foundation instead.

Hold a Christmas shared lunch at work or home and suggest a donation per plate.

Sell Christmas mince pies or other delicious festive goodies and ask people for a gold coin donation.

Ask people to wear a festive piece of clothing... who doesn't love a Christmas jumper, t-shirt, dress or reindeer ears!? Everyone who joins in makes a donation.

Make a donation to the Auckland Health Foundation instead of buying a \$5 Secret Santa present this year!
